TOILET SHOWER

One of the standard bathroom equipment manufactured by Wasser is a toilet shower or bidet sprayer, used as cleaning equipment and generally installed next to the toilet.

The Wasser WS-9FRL is a standard toilet shower that is ergonomically designed to provide optimal comfort during use. Every part of this toilet shower is made of quality materials which are durable and do not rust easily. Equipped with a strong hose, resistant to pulling, not easy to expand and not easily broken when used with normal water pressure.
